

## Non-Adidas club gear

Newport News FC is proud to have *Printsables* as our official supplier for team t-shirts both short and long sleeve, hats, polos, and custom sweatshirts.

Newport News FC will place at least 3 or 4 large club orders each year. Each team will place one group order with *Printsables* through the club gear coordinator. Chris Moller will serve as the initial club gear coordinator. Each team will fill out a club gear order form, turn in order form and (1) check per team prior to each orders deadline made payable to "NNFC". All club orders will be submitted to *Printsables*, orders will be filled and club coordinator will arrange for each team to receive their individual team orders. Anticipated delivery time is about 2 to 3 weeks. Please show your NNFC pride in showing off our clubs colors. Currently 3 designs are available as shown below.
